presents

23rd Annual ANET Conference on Organ and Tissue Donation/Transplantation

***Life...
Keep It Going...
Make the Call***

**Friday
October 24, 2008
7:30 AM – 4:30 PM**

***Crowne Plaza
Melbourne Oceanfront Hotel
2605 North A1A
Indialantic, Florida 32903***

In memory of Gary Brewer

PURPOSE

This conference is designed to increase awareness and understanding among healthcare professionals and members of the community of the critical need for organs and tissues for transplantation and research.

COURSE OBJECTIVES

Upon completion of this course the participant will be able to:

1. Discuss the development, implementation and importance of the on-line donor registry
2. Describe the process of recovery and transplantation of solid organs
3. State the ways that tissue donation can impact the lives of both donors and recipients
4. Describe causes of liver failure in children, treatment prior to transplant, subsequent pregnancies and outcomes
